2020 Step Study Work Shops

Schedules today are so filled with Work and Family and Fun that it's sometimes hard to find the time we need to work our recovery programs, and on our life-saving 12 Steps.

So, take the time to work on your Steps in fellowship with other SA members who are also working on their steps.

“RARELY HAVE we seen a person fail who has thoroughly followed our path”

(AA-Big Book, Chapter 5, page 58)

This is a great opportunity to work on your steps in a quiet workshop setting, where others can provide assistance and information, and based on our mutual ***“experience, strength and hope”***. Sponsors and Sponsees can work together if both are attending, or other Sponsors can provide guidance to attending Sponsees as well.

No Sponsor? attend and perhaps you'll connect with one!

Have your Spouse attend, as S-Anons also gather during the Workshop (in a separate room) to work on their steps.

This 4-hour study-hall setting is from 2PM to 6PM on the following Saturdays:

February 29th, 2020

June 20th, 2020

August 29th, 2020

November 14th, 2020

At the following location:

**Our Lady of the Rosary Cathedral
2959 North Arrowhead Avenue
San Bernardino, CA 92405**

Light refreshments are served and there is NO cost for participation.

(There is a 7th tradition taking during the Workshop, and feel free to BYOS (snacks)).

For further information visit the SA Inland Empire/Coachella Valley website at www.saiecv.org.
